FROM THE PRINCIPAL:

BEING RESPONSIBLE

As we continue to educate ourselves about our new *Guiding Behaviour Statement* we have worked with the children in relation to what it means to be responsible.

This week each class has focussed on what 'being responsible looks like, feels like and sounds like.' I invite all families to talk with their children about those discussions and activities done in class. Further to this we have reinforced with the children this week the following four points:

1. All students will follow the instructions of the adults within our school
2. We will speak with respect to everyone using appropriate language
3. We will treat each person with respect in our actions (No physical violence)
4. We will move around our school in a calm and orderly manner

I thank those families who continue to support the school as we introduce our new *Student Engagement and Wellbeing Policy*.

CELEBRATE JESUS

As we go to print today it has been indicated that the festivities of **Celebrate Jesus** will go ahead tomorrow at Bain Park. I thank the choir for their preparation and wish the children all the very best as they perform. Please note choir members need to arrive on time to perform at 9.30 am and be dressed in summer uniform. The choir has been under the guidance of Mrs Christy Ismay who has prepared them well. My congratulations goes to the following students who are the competition winners from our school for the day – Elijah Koivu, Shelby Murphy, Hayley Fletcher, Maddison Warrener, Jordan Thompson, Charlotte Davison, Alyssa Hughes, Lily Cook, Joel Holbert, Toby Cusato, Makayla Steele, Lachlan McMurray, Sofia Roods, Dylan Lambert, Madeline Lynch, Montaya Hinton, Amelia Stubbs and Brayden Williams. The activities for the day are itemised in the community notices at the end of this newsletter.

PUPIL FREE DAY

As a school our next scheduled **Pupil Free Day is Monday 28 April 2014**. This is backed onto the holidays in the hope that this is of benefit to families. This year we are implementing the new Australian English Curriculum and the Science Curriculum. On this day we will be focussed upon the essential learning from the English Curriculum. By doing so this guides and directs our teaching and learning and assessment for and of learning. You will note that due to the introduction of these two curricula our report will look different at the end of Term 2.

TRISH COELHO

SPORT NEWS:

SCHOOL CROSS COUNTRY CARNIVAL

Our School Cross Country was held this week and was a great success with all students having an opportunity to run and compete for their houses. The participation and sportsmanship of our students was to be commended. Children openly supported each other. The inclement weather approached us, but the carnival was held and completed just prior to the rain. Thanks to the many parent helpers who came and supported the event and helped with supervision, carnivals cannot run without parent support and those who attended were fantastic. A special thank you to Peter Roods who came early and helped set up and also came back to school afterwards to assist with wet tents.

Congratulations to MacKillop for being the champion house and all our age champions:

Aiden Grove, Rhiannon Slater, Joshua Goldberg, Madeline Lynch, Andrew Ammann, Kasey Fletcher, Ben Middleton, Grace Robb.
