CONTEMPORARY LEARNING

- Do you have questions about the changes in education over recent years?
- Are your children more tech savvy than yourself?
- Do you want to know what and how your child's teacher is teaching?
- Do you want greater knowledge in supporting your child with their education?

We invite you to attend our Parent Education evening around the Contemporary Learning Framework developed by the Diocese of Lismore. Wednesday 11 June has been set aside for parents and children alike.

On this evening you will be given the opportunity to participate in the learning styles of a 21st century learner as well as gain valuable input into the research based evidence.

While you as parents are able to engage with the staff, your children are invited to a Movie night with their peers. They can come in their pyjamas and will be treated with popcorn and a popper. The movies will be fully supervised by staff from St Joseph's. There will be a movie for the primary children and another for the infant's children.

WHEN: Wednesday 11 June 2014
TIME: 6.00 pm – 7.30 pm
WHERE: St Joseph's School Hall, King Street
COST: \$2.00 (for those children attending the Movie Night to cover popcorn and popper)

Please complete the tear off slip at the end of the note sent home last Tuesday to enable us to cater for numbers at the Movie night.

TEACHER PLACEMENT

An initiative of the Diocese of Lismore is the opportunity to place a teacher in a high performing school outside the Diocese for a week, teaching and learning alongside practitioners and in turn bring those learnings back to our own school. Over the past few years we have found this to be one of the most beneficial means by which to develop our school in the ways and means of contemporary learning. I am pleased to announce that Mr David Poulton has been selected to attend this opportunity. He will travel to St Aloysius at Cronulla beginning the week Monday 16 June 2014. We thank the Diocese for their support of this initiative.

SCHOOL VISITS

We as a school have been most fortunate to access some funding titled *Empowering Local Schools*. This funding has enabled our staff to further their ability in focussing more closely on student learning and improving student outcomes. In the coming weeks staff will travel during their allocated release time to St Peter's, Port Macquarie to further this process and develop their skills in benefiting our children here at St Joseph's. They will work closely with colleagues from the same Stage. We thank Mrs Christy Ismay, our Leader of Pedagogy for her organisation of this initiative.

TECHNOLOGY ENRICHMENT DAY

Yesterday students from Year 4, Year 5 & Year 6 participated in a Technology Enrichment Day. They created movie trailers as well as exploring the many features of our iPad apps. This type of opportunity is another example of the ways and means by which to implement our Contemporary Learning Framework providing a rich curriculum that engages the learner. Our thanks goes to Mrs Jessica Pearman who co-ordinated the day. Some photos are included in this newsletter.

SYMPATHY

We were saddened to hear of the passing of an ex pupil last week. Katy Kidd (26 years) had suffered many battles with her health over the years; nevertheless her death was sudden and unexpected. We offer our prayers and sympathy to the Coombes families.

TRISH COELHO

BOOK FAIR

A huge thank you to all families who supported our Scholastic Book Fair this year.

Due to a fantastic response from parents, grandparents and students, we received a total of \$1118.00 commission from sales. This commission has now been redeemed as Library books. The books wait accessioning and will be placed on the Library shelves in the near future.

This is probably one of the best responses we have ever had from our small school community - once again thank you!

MRS O'BRIEN

Thank you to Mrs O'Brien for all her work in coordinating our Book Fair. It does not go unnoticed and the children at St Joseph's look forward to reading the new books.

FUN RUN

Letters and sponsorship forms (orange card) were sent home recently. Please encourage students to fill out the sponsorship forms from family and friends. **Please, also, complete and return the permission slip on the Fun Run form.**

Early in Term 3, a draw will take place with prizes for students. For every \$5.00 raised, students will receive a ticket in our monster prize draw.

ZONE CROSS COUNTRY TEAM

Congratulations to the following students who will represent our school at the upcoming Zone Cross Country Carnival to be held at St Joseph's Regional High School on Friday 20 June 2014. Permission notes and medical forms will be sent home on Tuesday nominated. If for any reason your child will not be able to attend, please notify the Office as soon as possible. We may be able to offer that placement to another child. Congratulations again to all students, we wish them all the best and look forward to hearing about their achievements.
