THE FUTURE OF YOUR CHILD'S EDUCATION

This week has seen almost all staff members travel to other schools within our Diocese to observe flexible and adaptive environments in action. It is notable to say that they have witnessed children very much engaged in their education and enthused by learning. We as a staff, in close consultation with the Catholic Schools Office, are considering all research and data in relation to student learning in the current educational climate. We are in a time when radical change is occurring across not only our Diocese, but Australia and internationally. As an educator it is an exciting time to be at the coalface of change. In the coming weeks we will commence modifications to some classrooms in preparation for 2015. Individual classes will be informed during the coming week in relation to temporary relocation while building works begin.

PUPIL FREE DAY

Tuesday 7 October 2014 has been allocated as a Pupil Free Day by our Catholic Schools Office to help with the implementation of the new Australian Curriculum for Mathematics beginning of 2015. We, as a staff are spending the day further educating ourselves and preparing for this implementation. I thank families for their continued support.

GENEROUS SUPPORT OF COMMUNITY CHEST PROGRAM

Last Thursday I was fortunate enough to attend the Hastings Co-op IGA Community Chest Presentation. Our school secured a \$1000 donation from the Community Chest program, we are most grateful of the support. As a community it is the residents who continue to build not only the community spirit, but the economic growth of our township. This in turn leads to such programs as the Community Chest. Let us be proud of what we can contribute to our town and also be grateful for the generosity of many.

PARENT INVITATION TO PROCLAIM LISMORE PARENTS 2014 GATHERINGS

What will effective partnership between families and schools look like in the years ahead? The Catholic Schools Office in partnership with parish schools invites the cooperation of parents and caregivers in the exciting program of building a stronger parental partnership for the 21st Century. The first steps in building this stronger partnership are to listen to parents and enter into dialogue so that we can build common understanding around where we are at and where we want to be in time with partnership.

In this commitment to listen to parents the Catholic Schools Office is currently conducting a survey which all parents are invited to participate. The next step in this process of listening and entering into dialogue will be the Proclaim Lismore Parent 2014 Gatherings will be held from 5:45 pm - 9:00 pm including dinner in the following regions:
