CYBER SAFETY PRESENTATION

An invitation has been sent home to all families inviting parents to a Cyber Safety presentation on Tuesday 28 October 2014. Mr Andrew Burgess from our Catholic Schools Office is conducting these sessions for parents within the Hastings area. We invite families to consider this as a valuable session to attend. The Cyber Safety Presentation is scheduled for 2.15 pm with the ability to finish and collect your children at 3.15 pm. **Please RSVP by Tuesday 21 October 2014 to the school Office.**

FUTURE PLANNING: FLEXIBLE AND ADAPTIVE ENVIRONMENTS FOR 2015

Parents of children in Kindergarten and Year 1 received, an invitation to a Parent Education Evening scheduled for **Monday 27 October 2014**. During this year we have been strategically researching and planning for further implementation of our Contemporary Learning Framework, especially the opportunity for learning to take place in flexible and adaptive environments. To share the vision for our Infants classes for next year we invite all parents of existing Kindergarten and Year 1 students to attend the education evening.

RITE OF CHRISTIAN INITIATION FOR ADULTS

Are you a parent of a child in our school who is non Catholic?

Do you know someone who wishes to become Catholic?

Have you a desire to know more about the faith that your child is immersed in here at school?

Our Parish's 2014-2015 Rite of Christian Initiation of Adults (RCIA) programme for any non-Catholics who may be giving consideration to becoming a Catholic is currently open to candidates. If you yourself are non-Catholic and have been considering this path for yourself, now is the time to seek more information or begin that commitment. Interested persons are invited to talk with myself or Fr Dan before the end of October.

ASSISTANT PRINCIPAL

It is always special to report on children from our school who have achievements with their out of school/weekend activities.

Congratulations to Hannah Towler who was placed first at the Mid North Coast Zone Physical Culture competition held at Coffs Harbour last weekend. Jasmyn Debreceny came second in the 9 Yrs section and Abbie Phillips and Abby Field were also highly placed.

The girls will participate in the finals at Homebush during November.

SPORT NEWS

ACTIVE AFTER SCHOOLS PROGRAM

There has been a change in the Active After Schools Program. Instead of Dance the children will participate in Multi Sports activities. Unfortunately, a dance instructor could not be secured for the sessions. Multi Sports is a great opportunity for children to be involved in a variety of different activities. I am sure it will be lots of fun for both girls and boys; we would love to see more girls attending. If you would like your child to participate, please visit the school Office to collect a note. Whilst it is ideal for children to attend both sessions; they can attend just one, if preferable. The program will commence during Week 3 with Rugby Union each Tuesday and Multi Sports on the Thursday.

SUMMER SPORTS TRIALS

A big thank you to the children from Year 4 and Year 5 who have nominated for the Summer Sports Trials. We have had a great response. Due to the large amount of nominations for cricket we will need to hold an in-school trial to select 6 students to attend the Summer Sports Trials, as our allocation is six children only. Children who nominated for the trials, please bring your cricket kit on Monday 20 October 2014 for a trial during Lunch 1.

A note outlining the various activities was sent home earlier in the week. We look forward to sampling the Bush Tucker and participating in the Art & Craft.

Thank you to the Catholic Schools Office for the Visiting Speakers Grant which has enabled us to secure the Jolly bops Science Show. Thank you also to Mrs Leanne Parsons for coordinating the day.
