#### WELCOME TO TERM 4

It was lovely to see all the happy, bright faces returning to school ready for Term 4 on Tuesday. The weather had warmed up considerably during the holidays making our children wearing summer uniforms look very impressive.

#### EXURO 2015

**"Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity".**

**Timothy 4:12**

On Monday, selected students from Year 5 will be attending Exuro Retreat. Exuro is a one day faith retreat experience involving various prayer methods, group processes and student led discussions helping to equip young students to be faith leaders within their parish school communities. It is intended that this cohort of students will be invited back for similar days as part of student discipleship and peer leadership programs each year while they continue Catholic education. We know our students will be great ambassadors returning with knowledge and skills to allow them to be effective faith leaders in our school.

#### WELCOME

This week we welcome Haley Hume to S1E and Laney Walsh to ES1P. We feel sure that Haley and Laney have settled in well and have made some new friends already. Welcome Haley and Laney.

### MAKING JESUS REAL

This week our school begins the next stage of The Making Jesus Real journey. We will be looking at how we **speak, greet and treat** each other at school. Each day of the school week we will celebrate a specific behaviour within our school.

**GOOD MORNING MONDAY** – Students are encouraged to greet each other in a welcoming way “Good morning, thank you”, “nice to see you today” etc.

**THANKING TUESDAY** – Students are encouraged to say thank you as well as please at school at least three times at school and four times at home.

**WINKING WEDNESDAY** - A way for students to give each other a sign of encouragement.

**THUMBS UP THURSDAY** - Another way for students to give each other encouragement in the playground or in the classroom.

**HIGH FIVE FRIDAY** - A way for students to express their appreciation and excitement to each other in the classroom and playground.

**SMILING SATURDAY** - Greet everyone you see with a smile!

**SERVING SUNDAY** – Find a way to help around the house or in the garden without reward.

We are looking forward to beginning this behaviour based encouragement this coming week and trust parents will also talk to their children about how they have achieved their goal during the day.

As a school we have also been blessed with the opportunity to have Mr Peter Mitchell the creator of The Making Jesus Real, to run a program at our school on Wednesday 21 October 2015 for all families and students from Year 3 to Year 6. This is a wonderful and unique opportunity for our parents and students. A note has been sent home with the details. We look forward to sharing this evening with you and your children.

God Bless!
